Quotes from existing franchisees... *"What I like most"* about my franchisor.

"They provide software and ongoing training to help us succeed."

"Brand recognition, stability and financial viability."

"From the quality of the product and marketing tools to the ease in which I can communicate with management, this is a business with a very upward direction."

"Initiative to continually improve product quality and introduce new products."

"Vision, Creativity, Product, Quality, Innovation."

The Company:

GarageTek is the leader in garage organization systems, available in 70 markets, and backed by a 10 year warranty.

Quite simply, it's the world's cleanest garage—a revolutionary concept in home improvement.

Interested in becoming a GarageTek franchisee? Well, you are in good company. Our franchisees are former builders, contractors, marketing executives and entrepreneurs. As a franchisor, we know our success depends on the strength of our local associates.

The Opportunity:

To support our franchisees, GarageTek has developed a leadership position in the fast growing market of garage organization and storage. We revolutionized American garages in 2001 with the concept of paneling the interior of the garage with our patented TekPanel. Add an extensive line of proprietary products and your have what thousands of homeowners throughout North America have called "an amazing transformation!"

Opportunities are also available in Canada, the UK, and Internationally.
